## Personal Profile -

I am currently doing my B.Sc. in Computer Science & Engineering (Last Semester excluding internship) at American International University-Bangladesh (AIUB). My major area is “Software Engineering”. I am looking for a job opportunity and preparing myself for the IT industry in near future. I’m consistently learning new software and tools and improving my programming skill.

## Education and Training -

Institution	Degree	Department/Group	GPA/CGPA	Passing Year
Saint Martha’s High School	SSC	Science	4.61	2016
Sreemangal Govt. College	HSC	Science	4.83	2018
American International University-Bangladesh	BSc	CSE	3.94	2023 (134 credits completed)

## Skills Summary -

i. Problem Solving      ii. Programing Language (C, C++, Java, C#[ASP.NET], Python, JavaScript, Php)      iii. HTML5, CSS3, Bootstrap5      iv. Microsoft Office      vi. Teamwork      vii. Communication      viii. Leadership      ix. Language (Bangla and English)

## Projects -

### 1. Tour Guide – BD

- Using C# Web Form, based on the knowledge of Object Oriented Programming-2(C#) course  
<https://github.com/senanik360/tour-guide-C-sharp>

### 2. Online Super Shop

- Using basic Java. It’s a console application based on the knowledge of Object Oriented Programming-1(Java) course

<https://github.com/senanik360/Java>

### 3. Digital Health Care

- I designed it in my Software Engineering course with UI. All the process is designed based on Agile methodology with proper budget plan.

### 4. Tourism Management

- It's a web application (Used HTML, CSS, PHP, JavaScript, MySQL )

[https://github.com/senanik360/WebTech\\_course\\_project](https://github.com/senanik360/WebTech_course_project)

### 5. Learn and Teach

- Learn and Teach is a Web based and Android application where students and tutors will be benefited. It's an ongoing project. We submitted proper plan and prototype in CTO Forum Hackathon 2022.

### 6. Graphical view of Sea Beach

- A graphical view of sea beach using C++ OplnGL

<https://github.com/senanik360/Computer-Graphics>

### Professional English Communication and Training.

It was a 5 days long training season under **SEIP** and **BASIS**, organized by **WSDA New Zealand**. The knowledge I gained will help me to understand and adapt to the general rules of professional communication to handle everyday workplace communication more effectively

**Php with Laravel.** I'm doing this course under **SEIP** at Pencil Box training centre(Government funded). It's a 60 days long training. Learned here basic front end development from the first season and now learning laravel framework for backend development.

**CISCO – IT Essentials.** I've successfully achieved student level credential by completing IT Essentials course

*Certification: [https://github.com/senanik360/CISCO-IT-Essentials-Certificate/blob/main/CISCO%201/ANIKSEN-ICS\\_Spring\\_19\\_20-certificate.pdf](https://github.com/senanik360/CISCO-IT-Essentials-Certificate/blob/main/CISCO%201/ANIKSEN-ICS_Spring_19_20-certificate.pdf)*

### Awards / Honours -

AIUB Academic Scholarship (Seven times) based on academic results.

*Reference for checking criteria: <https://cs.aiub.edu/undergrad/scholarship>*

### Extra-Curricular Activities -

- Campus Ambassador at ICT Olympiad Bangladesh – 2022 (Season 1)
- Organizer at AIUB Arts Club
- The Duke of Edinburgh's International Award (**Bronze**)

### Hobbies and Interest -

- Travelling
- Playing Cricket
- Know new people
- Solving problem, learn new algorithm and build new logic.
