Personal Profile -

I am currently doing my B.Sc. in Computer Science & Engineering (Last Semester excluding internship) at American International University-Bangladesh (AIUB). My major area is “Software Engineering”. I am looking for a job opportunity and preparing myself for the IT industry in near future. I’m consistently learning new software and tools and improving my programming skill.

Education and Training -

Institution	Degree	Department/Group	GPA/CGPA	Passing Year
American International University-Bangladesh	BSc	CSE	3.94 out of 4	2023 (134 credits completed)
Sreemangal Govt. College	HSC	Science	4.83 out of 5	2018
Saint Martha’s High School	SSC	Science	4.61 out of 5	2016

Skills Summary -

- Proficient in multiple Programming Language like **C, C++, Java, C#, Python[Numpy, Pandas], JavaScript, Php**
- Proficient in Backend Framework like **ASP.NET**
- Experienced in **HTML5, CSS3, Bootstrap5**
- Experienced in **Microsoft Office**
- Database Management – **My Sql, MS Sql, PL SQL**
- Experienced in Software Testing tool like **Selenium with Java**
- Problem Solving
- Teamwork
- Communication
- Leadership
- Language (Bangla and English)

Projects -

1. Tour Guide – BD

- Using C# Web Form, based on the knowledge of Object Oriented Programming-2(C#) course

<https://github.com/senanik360/tour-guide-C-sharp>

2. Online Super Shop

- Using basic Java. It's a console application based on the knowledge of Object Oriented Programming-1(Java) course

<https://github.com/senanik360/Java>

3. Digital Health Care

- I designed it in my Software Engineering course with UI. All the process is designed based on Agile methodology with proper budget plan.

4. Tourism Management

- It's a web application (Used HTML, CSS, PHP, JavaScript, MySQL)

https://github.com/senanik360/WebTech_course_project

5. Learn and Teach

- Learn and Teach is a Web based and Android application where students and tutors will be benefited. It's an ongoing project. We submitted proper plan and prototype in CTO Forum Hackathon 2022.

6. Graphical view of Sea Beach

- A graphical view of sea beach using C++ OplnGL

<https://github.com/senanik360/Computer-Graphics>

Participation and Certification -

CTO forum Innovation Hack-a-Thon 2022. Successfully passed first round and reached second round (prototype).

Reference : <https://www.ctoforumbd.org/>

Orbitax SUST SWE Technovent 2023(Brain Station 23 Hackathon). Successfully passed first round and participated final round at SUST campus for 36 hour non-stop on site hackathon.

Reference : <https://technovent.sust.edu/>

Professional English Communication and Training. A training period under **SEIP** and **BASIS**, organized by **WSDA New Zealand**. The knowledge I gained will help me to understand and adapt to the general rules of professional communication to handle everyday workplace communication more effectively

Php with Laravel. I'm doing this course under **SEIP** at Pencil Box training centre (Government funded). It's a 60 days long training. Learned here basic front end development from the first season and now learning laravel framework for backend development.

CISCO – IT Essentials. I've successfully achieved student level credential by completing IT Essentials course

Certification: https://github.com/senanik360/CISCO-IT-Essentials-Certificate/blob/main/CISCO%201/ANIKSEN-ICS_Spring_19_20-certificate.pdf

Awards/ Honours -

AIUB Academic Scholarship (Seven times) based on academic results.

Reference for checking criteria: <https://cs.aiub.edu/undergrad/scholarship>

Extra-Curricular Activities -

- Campus Ambassador [Team Lead] at **ICT Olympiad Bangladesh – 2022** (Season 1)
- Executive Organizer at **AIUB Arts Club**
- The Duke of Edinburgh's International Award (**Bronze**)
- Communications Intern at **Youth School for Social Entrepreneurs – YSSE**

Hobbies and Interest -

- Travelling
- Playing Cricket
- Know new people
- Solving problem, learn new algorithm and build new logic.
