Personal Profile -

I am currently pursuing a Bachelor of Science in Computer Science & Engineering, specializing in Software Engineering, at American International University-Bangladesh (AIUB). I have successfully completed all the required credits for my degree, with the exception of the internship. As I am eager to embark on a career in the IT industry, I am actively seeking job opportunities and dedicating myself to enhancing my skills in programming and acquiring knowledge of various software and tools. My commitment to continuous learning underscores my preparation for a successful future in the field.
