Personal Profile -

I am currently doing my B.Sc. in Computer Science & Engineering (Last Semester excluding internship) at American International University-Bangladesh (AIUB). My major area is "Software Engineering". I am preparing myself for the IT industry in near future. I'm consistently learning new software and tools and improving my programming skill.

Education and Training -

Institution	Degree	Department/Group	GPA/CGPA	Passing Year
Saint Martha's High School	SSC	Science	4.61	2016
Sreemangal Govt. College	HSC	Science	4.83	2018
American International University-Bangladesh	BSc	CSE	3.94	2023 (134 credits completed)

Skills Summary -

i. Problem Solving   **ii.** Programing Language (C, C++, Java, C#[ASP.NET], Python, JavaScript, Php)   **iii.** HTML5, CSS[Bootstrap5]   **iv.** Microsoft Office   **vi.** Teamwork   **vii.** Communication   **viii.** Leadership   **ix.** Language (Bangla and English)

Projects -

1. **Tour Guide – BD**

   ➢ Using C# Web Form, based on the knowledge of Object Oriented Programming-2(C#) course

   https://github.com/senanik360/tour-guide-C-sharp

2. **Online Super Shop**

   ➢ Using basic Java. It's a console application based on the knowledge of Object Oriented Programming-1(Java) course

   https://github.com/senanik360/Java

3. **Digital Health Care**

   ➢ I designed it in my Software Engineering course with UI. All the process is designed based on Agile methodology with proper budget plan.

4. **Tourism Management**

   ➢ It's a web application (Used HTML, CSS, PHP, JavaScript, MySQL)

   https://github.com/senanik360/WebTech_course_project

5. **Learn and Teach**

   ➢ Learn and Teach is a Web based and Android application where students and tutors will be benefited. It's an ongoing project. We submitted proper plan and prototype in CTO Forum Hackathon 2022.

6. **Graphical view of Sea Beach**

   ➢ A graphical view of sea beach using C++ OplenGL

   https://github.com/senanik360/Computer-Graphics

Portfolio -

Awards / Honours -

AIUB Academic Scholarship (Seven times) based on academic results.

Reference for checking criteria: https://cs.aiub.edu/undergrad/scholarship

Hobbies and Interest -

- Travelling

- Playing Cricket

- Know new people

- Solving problem, learn new algorithm and build new logic.
